Briefly state how the nominee meets the criteria of the Champion of Financial Literacy Award:

Innovation & Creativity: Describe how the individual or program takes an original and resourceful approach to serving Floridians in need of financial literacy education.
<input type="text"/>

Quality: Describe how the individual or program's materials, content and methods are appropriate and useful for helping Floridians develop personal financial management skills to achieve financial independence.

Impact: Explain the impact that results from the individual or program's outreach. How many Floridians are reached on an annual basis? How effective is the outreach? In what ways are the results achieved measured?

Sustainability: Describe the individual or organization's commitment to continuing to serve those in need of financial literacy education in Florida.

Scope: Is the program implemented on a statewide, if not does the program have become statewide, or is the program focused to specific need-based groups?

Thank you for your nomination.
